20.00-22.00 **Smart Mobility Startup Dinner in collaboration with the Netherlands Business Support Office Barcelona and the Dutch Embassy in Spain**

Restaurant Alba Granados

C/ d'Enric Granados, 34

Startups contribute significantly to new products, services and knowledge. They are therefore crucial for innovation. Local and Dutch startups/scaleups will present their organization at this networking dinner. With:

- BeChained
- Brainport
- Clappform
- MYLOCK
- Park4Dis
- Smartmonkey
- Coding the Curbs
- Hardt Global
- Mass Factory
- Sorama
- Spatiomatics
- The future mobility network group

09.00-09.30 Reistijd naar Lynk&Co

09.30-11.00 **Visit Lynk&Co**

Passeig de Gràcia, 44, 08007 Barcelona

Lynk&Co isn't a typical car company. They say they do make a car, but also creating a better way to own and use cars. Whether you buy, borrow, or subscribe, you get an excellent car plus access to services that make your life simpler. Inspired by everything from the Wizard of Oz to Gaudi and beyond, the Barcelona Club is a dreamy ode to the city.

11.00-11.30 Reistijd naar Superblocks

11.30-12.30 **Walking around Superblocks**

Urban development project | The superblocks reverses the current priorities for streets, creating more opportunities for providing space for citizens and mitigating the lack of green areas. This project is expected to extend citizen spaces/car-free spaces by over 23 hectares. What is the innovation/policy/project/technology and how does it work? Hear about the facts combined with a walk through the blocks.

12.30-13.00 Reistijd naar restaurant

13.00-14.15 **Wrap-up lunch bij Restaurant Can Lampazas**

Av. del Paral·lel, 159, 08004 Barcelona
