

# STUDYTRIP CONNEKT – GÖTEBORG, ZWEDEN

## 15 - 17 SEPTEMBER 2025

*This three-day journey in autumn 2025 will take us to Göteborg, a key hub for mobility innovation in Sweden. During our visit, we will explore Sweden's advancements in autonomous driving, data-driven solutions, and sustainable transport systems. The program includes visits to leading companies, interactions with start-ups, and discussions on critical themes such as digitalisation, traveller behaviour, and smart city infrastructure. Through these insights, we will gain a deeper understanding of Sweden's (and Göteborg) approach to future mobility trends and learn how their emphasis on collaboration, innovation, and sustainability shapes the transport landscape.*

### Monday 15 September 2025

- 08.55 Gathering at Schiphol Airport
- 09.50 - 11.20 Flight KL1231 Amsterdam → Göteborg
- 11.20 - 13.20 Transfer to hotel
- 13.20 - 15.00 Check in at the hotel [Radisson Blu Scandinavia Hotel, Göteborg](#)
- 15.00 - 17.30 Guided tour [City Göteborg](#)
- 17.30 - 18.30 Free Time
- 18.30 - 19.30 Travel time to kick-off dinner
- 19.30 - 22.00 Kick-off Dinner with Dutch Consulate in Göteborg
- 22.00 - 22.30 Travel time to the hotel [Radisson Blu Scandinavia Hotel, Göteborg](#)

### Tuesday 16 September 2025

- 07.00 - 08.30 Breakfast at your own convenience
- 08.30 - 08.45 Travel time to visit 1
- 08.45 - 11.00 Visit 1: [Volvo Autonomous Solutions](#)  
*During this visit, we will learn about Volvo's innovations in autonomous vehicles, electric mobility, and smart logistics. The R&D facility tour will highlight technologies enhancing efficiency, safety, and sustainability in transport*

11.00 - 11.15 Travel time to Visit 2

11.15 - 12.30 Visit 2: **Lindholmen Science Park**  
*During this visit to Lindholmen Science Park, we will explore how this innovation hub fosters collaboration between businesses, researchers, and the public sector. We will gain insights into projects involving Digital Twins, AI applications in transport, and sustainable mobility solutions. The park is a leader in smart logistics, autonomous vehicles, and sustainable transportation, providing valuable lessons on how Sweden addresses key mobility and logistics challenges. This visit offers practical solutions and strategic approaches for future developments in these fields.*

12.30 - 13.30 Lunch at **Cuckoo's Nest**

---

## Program Boards

14.00 - 18.00 Strategy Meeting at **Cuckoo's Nest**

---

## Program Members

13.30 - 14.00 Travel time to Visit 3

14.00 - 15.30 Visit 3: **Startup Hub Minc or visit to [International Conference on Wireless Networks and Mobile Communication](#)**  
*We will discover how Minc supports startups in mobility, AI, and tech. The visit will highlight innovative ventures shaping the future of sustainable transport and logistics*

13.30 - 14.00 Travel time Visit 4

16.00 - 17.30 Visit 4: **Urban Zones and Digital Twin of Gothenburg**  
*During this visit, we will explore how the Digital Twin of Gothenburg is used to optimize urban planning, traffic management, and sustainability. We will gain insights into how digital models of the city enhance decision-making and improve the efficiency of urban mobility and logistics.*

---

17.30 - 18.30 Travel time to the hotel **Radisson Blu Scandinavia Hotel, Göteborg**

till 19.00 Free time

19.00 - 19.30 Travel time to dinner

19.30 - 22.00 Dinner with xxx at **TBD**

22.00 - 22.15 Travel time to the hotel **Radisson Blu Scandinavia Hotel, Göteborg**

Four thick, light-orange wavy lines curve upwards from the bottom right towards the center of the page, creating a sense of movement and design.

## Wednesday 17 September 2025

- 07.00 - 08.30 Breakfast and check out
- 08.30 - 09.00 Travel time to visit 5
- 09.00 - 11.00 **Visit 5: University of Gothenburg / Chalmers University of Technology**  
*We will explore the latest research and innovations in mobility and logistics at both the University of Gothenburg and Chalmers University of Technology. We will gain insights into projects focused on AI, sustainable transport, and smart city solutions.*
- 11.00 - 11.15 Travel time to visit 6
- 11.15 - 12.30 **Visit 6: Guided Tour of RISE Research Institutes of Sweden**  
*During this visit, we will explore RISE's research in autonomous mobility, AI, and sustainable logistics. The tour will provide insights into their innovative projects and how they contribute to advancing the future of transportation and logistics technologies.*
- 12.30 - 12.45 Travel time to the restaurant
- 12.45 - 14.15 Lunch at **TBD**
- 14.15 - 14.30 Travel time to Visit 7
- 14.30 - 15.45 **Visit 7: Port of Gothenburg: Smart Logistics and Collaborations**  
*During this visit, we will explore how the Port of Gothenburg is implementing smart logistics solutions to optimize port operations. We will gain insights into their collaborative efforts with partners, leveraging innovative technologies to enhance efficiency in goods transportation and logistics.*
- 15.45 - 16.15 Travel time to Göteborg Airport
- 18.15 - 19.50 Flight KL1236 Göteborg -> Amsterdam
